

# The PACE Group Focuses on Healthcare

Executive Search Firm Teams With Healthcare Leaders Across The United States

The **PACE Group**, a national executive search firm, has been teaming with healthcare organizations throughout the United States since 1993. These partnerships have been extensive in sourcing qualified healthcare candidates, who are not looking for new jobs, and in providing professionalism and first class service to the process.

**Dr. Ed Crocker**, is a published and board certified cardiovascular and thoracic surgeon skilled and experience in the latest techniques in cardiac surgery. He has over 20 years experience in cardiovascular and thoracic surgery. He completed his undergraduate studies and received his medical degree from the University of Tennessee. His surgical internship and residency were completed at Ochsner Foundation hospital in New Orleans. He then completed a second residency in cardiovascular and thoracic surgery at the Medical Center of Georgia.
